Previously serving as a council member and Mayor for the City of Watsonville has been an honor and a privilege. Currently I serve on various flood prevention boards. As a member of the Pajaro Regional Flood Management Agency, we were able to advance the new Pajaro River - Salsipuedes Creek levee completion project. If elected, I will advocate for public safety and street improvements, more business and youth recreational opportunities, the retention of the Watsonville Airport, and sensible housing development.

I volunteer with several community boards, including the Pajaro Valley Chamber of Commerce and Agriculture, Pajaro Valley Prevention and Student Assistance, and the Watsonville High School Foundation. I am a member of Soroptimist International of Watsonville and Watsonville Woman's Club.

I will continue to address the concerns of city residents, particularly those of District 7. Community involvement is important to me and with your help, we can make a difference. I would appreciate your vote on November 8<sup>th</sup>.

*Nancy A. Bilicich*
