SANTA CRUZ CO ELECTION
FILED AUG 22 PM 4:51

As a lifelong resident of Santa Cruz County and a healthcare professional, I am deeply committed to uplifting this community and working to create a strong and healthy environment for our children and families. I believe that the public school system is our best opportunity to connect with the families of Santa Cruz County and provide social, emotional, educational and overall support. I plan to use my passion, education and history within this county and educational system to advocate for our children, families and educators.
