

I am running for Watsonville City Council, District 4 because I want to help create a thriving and strong community for all city residents. I believe deeply in the power of education, youth engagement, and the delivery of effective city services and solutions that help residents thrive.

I currently serve on the Personnel Commission for the City of Watsonville, and previously served on the Ad Hoc Committee on Policing and Social Equity, and the Redistricting Committee for the City of Watsonville. I am honored to be on the board of directors for Encompass Community Services, which has been awarded additional grants to expand Watsonville community programs. Additionally, I am a member of the Watsonville Rotary Club and serve on the board of directors for the nonprofit Watsonville Police Activities League (PAL). I am committed to continuing to support the needs of our community, including support of the newly formed Pajaro Valley Health Care District, housing developments for our residents, and support for Watsonville small business owners.

I believe in Watsonville and will work to support a thriving community here. I would be honored to earn your support!
